

2.

Samantha Power

Samantha Power

Is a human rights expert.

Her book on genocide

"A Problem from Hell"

Is regarded by liberals

As a classic

Within the discipline

of Human Rights Studies.

Revered for her compassion,

Commanding the respect of the bien pensant

She now serves on the National Security Council

of President Barack Hussein Obama.

In this capacity,

Samantha Power presides over

Drone attacks

Which in the last year

Have killed an estimated

Seven hundred Pakistanis,

Most of these women and children.

Samantha Power

Should be in the Hague

Facing prosecution

For crimes against humanity.
